Beginning a New Year

Whether your 2023 was one packed with excitement and joy or a year of struggles and sorrow, entering a new year brings with it hope for the future. It doesn't matter what's going on in your life right now – as you step into a new year, you can hold onto Emmanuel, our “God with us.” The year may be changing, it may seem like the world is shifting, but God doesn't change. Let's step into 2024 with faith and a renewed purpose!

- *“Remember ye not the former things, neither consider the things of old. Behold, I will do a new thing; now it shall spring forth; shall ye not know it? I will even make a way in the wilderness, and rivers in the desert.” (Isaiah 43:18-19)*

January Lunch Menu

**Inclement Weather Delays and Cancellations
Preschool-12th Grade**

Winter is here! Here are a few reminders regarding weather delays and cancellations. The following should be remembered:

- We will take into consideration what Fannin and Union Counties are following.
- We will communicate with you directly by schoolwide text and email.
- We will post the announcements on our Facebook page.

Please note, this year we have many students attending MACA that live in TN and NC. I encourage you to monitor closely the conditions in your local community. If your county is suggesting something different than MACA, I encourage you to use personal discretion and consider road conditions. MACA will take into consideration your local driving conditions as they relate to tardies or absences.

In the event of a **2-hour delay**, drop off for students will **begin at 9:45 AM**. When students arrive, they will go straight to their classroom/homeroom. No morning care will be available on 2-hour delay days.

Preschool Parents, please note, breakfast will not be served on 2-hour delay days.

*****Students should not be dropped off prior to 9:45 AM.*****

In the event that school must close early:

- Communication will occur as quickly as possible via text, email and Facebook.
- After School care will not take place if there is an early dismissal due to inclement weather.
- High school student drivers will be released earlier than the school release time, so they have extra time to drive home safely.
- Coaches will communicate with teams regarding athletic events.

In the event that school is completely closed for longer than 3 days in a row, teachers will communicate directly with their classes regarding any work assignments.

No matter what the situation is, Mountain Area Christian Academy will always err on the side of caution to keep our students, families, and MACA staff safe. If you feel unsafe to drive, please do not risk your safety. We will communicate with our families as early as possible to help you make plans with as much notice as possible.
